

cookie statement

You are at www.randstadrisemart.dk, the website of Randstad A/S, hereinafter referred to as 'Randstad Risesmart' or "we".

Our website (www.randstadrisemart.dk and its subdomains) uses cookies.

Cookies are small text files that will be stored in your device (computer, tablet or mobile phone) via your browser primarily to enhance the convenience of using the site, to enable certain functions and to make visiting our website attractive. Third parties can also place cookies and similar techniques to monitor your internet behavior and show your personalized advertisements outside our website. The information in the cookies relates to your device, your browser and to the way you flip through our content and is not linked to your name, address or e-mail address.

To the extent personal information may be collected using cookies, such information will only be processed in accordance with the Randstad Risesmart Privacy Notice.

which cookies do we use and why?

Cookies can be placed directly by our website or by third parties with whom we cooperate to help us diagnose technical problems, analyze the traffic to our website, analyze trends, observe and measure how our visitors engage with our website and identify preferences.

default cookies.

These cookies are essential in order to enable you to move around the website and use its features, such as accessing secure areas of the website. Without these cookies, services you have asked for, such as logging in, cannot be provided.

functional cookies.

These cookies enable the website to provide enhanced functionality and personalization. They may be set by us or by third-party providers whose services we have added to our pages. If you do not allow these cookies then some or all of these services may not function properly.

performance cookies.

These cookies collect information about how visitors use a website, for instance, which pages visitors go to most often, and if they get error messages from web pages. Only Randstad Risesmart has access to the data collected via these cookies and we do not make these data available to third parties.

advertising or targeting cookies.

These cookies are used to deliver adverts more relevant to you and your interests. They are also used to limit the number of times you see an advertisement as well as help measure the effectiveness of the advertising campaign. They are usually placed by advertising

networks with the website operator's permission. They remember that you have visited a website and this information is shared with other organizations such as advertisers. Quite often targeting or advertising cookies will be linked to site functionality provided by the other organization including social media services that we have added to the site to enable you to share our content.

change your preference regarding cookies.

If you wish to change your preference regarding cookies go to the cookie settings:

cookie settings

You can also prevent your browser to store cookie and/or delete the cookies from your device at any time via the browser settings. Please consult the 'Help' section on your internet browser for instructions on this.

If you choose to not accept cookies, you should be aware that you may no longer be able to make use of all possibilities and functionalities of our website, and that certain parts of the website may also no longer be visible or accessible.

storage period.

Most of the cookies we use will be deleted when you end the browser session (so-called session cookies). Other cookies will remain stored in your device longer, for a period of 2 years, with the exception of the web analytics cookies which can be stored in your device maximum of 10 years.

changes to the cookies statement.

We may update the Cookies Statement from time to time. You can see the date on which the last change was made below in this statement. We advise you to review our Cookies Statement on a regular basis so that you are aware of any changes.
